Cane cutters protest pay at Okeelanta

SOUTH BAY- Gulf and Western Okeelanta Sugar Mill was the site of a pay dispute between 1,500 Jamaican cane cutters and the mill's management, Tuesday evening. The matter was expected to be resolved early Wednesday morning.

Capt. Frank Fogleman of the Palm Beach County Sheriff Department Glades substation said he expected the situation to be resolved "one way or the other."

Okeelanta began paying off the 1,500 cane cutters Tuesday when the dispute began. Fogleman said he had been requested by Gulf and Western to supply extra deputies because the company was expecting a heavy payroll. Fogleman said two deputies were dispatched Tuesday morning at 9 a.m.

Fogleman said some of the men accepted their pay, then brought it back, and said they wanted a larger year-end bonus. He said he understood Gulf and Western had paid the cane cutters a 6 percent bonus but they wanted a 10 percent bonus.

Fogleman said as it appeared there might be trouble, and as the Jamaicans erected a barricade across the road leading to their dormitories, the management had no problem with the barricade

but asked for a perimeter protection around the mill itself.

At around 10 p.m., Fogleman said there had been no confrontations between the cane cutters and the deputies. At 9 p.m. Wednesday morning everything was still quiet, with 36 deputy sheriffs standing by and several canine units on standby at the Glades substation.

School change draws flak

BELLE GLADE- Glades parents, angered over the proposed elementary school boundary changes, met with Palm Beach County School Supt. Thomas Mills, Thursday evening, to propose an alternative to Mills' proposal.

Supt. Mills is proposing to the school board that all area elementary schools be changed from grades K-4 to K-5.

Shirley Morris, a parent, told Mills, "if the system had to change, why not change from K-4 to K-6?"

West Area Supt. of Education John Monroe said the proposed changes would bring the Glades into conformance with the county-wide unified curriculum program.

The proposed changes would convert Belle Glade, Gove and Canal Point Elementary from K-4 to K-5 in September of this year and Lake Shore and Pahokee Elementary would convert to the new system in 1983.

Mills said the retaining of students one more year in the elementary schools could possibly raise the test scores of third and fifth graders in statewide standardized testing.

Several speakers expressed concern that Supt. Mills was proposing the changes because white parents did not want to send their children to schools in black neighborhoods.

Mrs. Morris said she is in favor of the K through 5 proposal because it would reduce the number of schools a student has to attend in the Glades before graduating.

At it currently stands, students in Belle Glade must attend four schools before graduating.

One parent said she had children at four different schools last year, making it extremely hard to coordinate school meetings.

Mills told the parents he would present his proposal to the board on March 17 and expected a decision at that time.

West Area School Board member Samuel Lovell said after listening to the parents he was more in favor of grades K-6.

In addition to discussing the elementary school boundary changes, Glades parents also spoke out against the consolidated high school plan.

The Rev. Alvin Jones, president of the Ministerial Association, told Mills the Association was against a consolidated high school.

Lucricta Knight, president of the Glades Central Student Council, also said Glades students were opposed to the idea.

Mrs. Edna McClendon, a parent from Pahokee, said she was against the consolidation plan because "every community needs its own school and because the plan called for the school to be built next to Glades Correctional Institution."

Mills said the board would take up the matter of the consolidated high school at the March 17 meeting.

4th candidate enters city race

SOUTH BAY- A fourth person has filed for one of the two South Bay City Commission seats up for election March 2.

Willie Marshall, 31, of 165 NW Sixth Street, filed his candidacy Tuesday morning, Feb. 16. He will be running for the Group II seat currently held by Sammy Rogers. Rogers had previously filed to seek re-election.

"I had seen in the newspapers that he didn't have a challenger," said Marshall, explaining why he chose to seek election in Group II.

Marshall, employed by Gulf-Western, said he was born in Bean City and moved to South Bay as a child. He said he has lived in the city ever since.

He is married to Rosa M. Marshall. The two have a 14-month-old boy, Willie F. Marshall, Jr.

"I feel like I could do some good," said Marshall. "I would like to see the price of the water and such nature come down. I would like to see some better homes in South Bay. I would like to see more industry come to South Bay."

If he wins, this would be his first elective position, but he is no newcomer to city politics.

"I ran four years ago," he said. He ended up in a runoff and lost.

Both groups are now contested. Marshall is running against incumbent Sammy Rogers in Group II.

In Group I, Vice Mayor Ray Sullivan will be running against Rennick Carlton Morris.

Members of the Belle Glade Woman's Club stuffed a telephone booth Monday evening

Heart beat of the 50s

BELLE GLADE- If you spent your teenage days stuffing telephone booths and swallowing gold fish, the Annual Heart Ball could be the place to rekindle those memories on Saturday, Feb. 27, at the Belle Glade Elks Club from 9 p.m. to 1 a.m.

The Belle Glade Junior Woman's Club is sponsoring the annual Heart Ball and the theme is "Heart Beat of the 50s."

Simon Train from Country K with the "14 Karat Gold Band" from Cocoa Beach, specializing in 50s music and country western will entertain at the dance. Also appearing with Simon Train will be some special guests.

Many door prizes and contests, which will include the preppiest, grasiest, and a FonZ Look-a-like contest.

Tickets are \$20 per couple and may be purchased from any member of the Junior Woman's Club, Sweet n' Sassy Dress Shop and Eloise's Gift Shop.

Jubilee beer sales okayed

By JEFF BROWN

BELLE GLADE- For the first time ever, beer will be sold at the Black Gold Jubilee this Spring.

The Black Gold Jubilee Committee voted Friday, Feb. 12, to sell beer and retain the profits.

The motion, made by committee member Dean Jones, received eight votes from the ten committee members present. Voting for the proposal were: Jones, Mike Underwood, Rupert "Bubba" Mock, Jr., Anita Adams, Ernie McCroan, Jewel Crane, Brent McCormick, and David Spooner.

Steve Weeks voted against the proposal and Charla Sizemore abstained.

"I personally don't want my name with the beer," said Weeks. "I don't think I want the profit from the sale of beer to come back to the committee because that means we're sanctioning the sale of beer."

Mock, who originally brought the matter up before the committee, said he had been at a seafood festival in Everglades City the previous weekend and saw no problems with the sale of beer at that event, which hosted over 30,000 people in two days.

"I've seen just as many obnoxious drunks in our little crowd at the marina when they bring their own as they had down there," said Mock, who added, "I was very envious of the apparent open mindedness of the community. I think too much emphasis is being placed on beer as an alcoholic beverage instead of just a beverage."

This will be the first time beer has been sold at the Jubilee since its inception in 1979.

Body of missing woman recovered

BELLE GLADE- The body of Keren Cushnie, missing since Monday, Feb. 8, was found late last week in her automobile at the bottom of a canal about one mile east of Twenty Mile Bend.

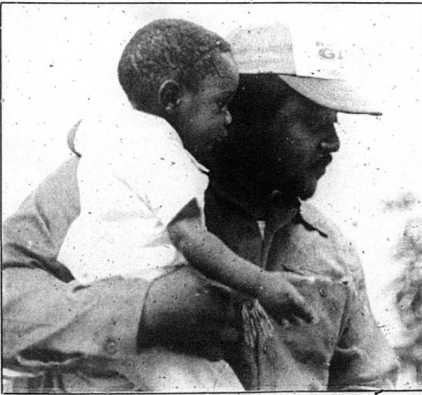

Cushnie, 38, of 646 SW Third Street, Belle Glade, was on her way to work in West Palm Beach that morning when her car apparently slid into the canal.

Her body was recovered in the automobile Friday, Feb. 12, after Belle Glade Detective John R. Carney and Sergeant Dan Crist dove into the canal and located the vehicle.

Crist and Carney were called to the scene to search for the vehicle after relatives of Cushnie, conducting a search of the Loxahatchee area, discovered skid marks leading into the canal.

The Sheriff's Office, operating out of West Palm Beach, went to the scene and confirmed the reports of the family.

Carney and Crist were called to dive because the Sheriff's Department will not permit their divers to enter the water after nightfall, according to [Continued on Page 3]

WILLIE MARSHALL became the fourth person to become a candidate for the South Bay City Commission Tuesday, Feb. 16. A lifelong resident of South Bay, he's running against incumbent Sammy Rogers in the Group II race. Marshall is pictured above with his son, Willie, Jr.

Chamber to enter float

BELLE GLADE- The Belle Glade Chamber of Commerce has set Pahokee's 60th Anniversary Celebration as the target date to have its float completed.

The Chamber's board of directors

Thursday, Feb. 11, decided to enter the float in the celebration, scheduled for March 20.

The directors have been working on converting a trailer donated by a local industry into a float.

Child chokes on balloon

BELLE GLADE- A five-year old child choked to death on a balloon Monday, Feb. 15, according to police. Jamie Pompey of 100 SW Fifth Street, number one, was pronounced dead at Glades General

Hospital at 9:57 p.m. Monday. His mother, Thelma Pompey, had called police to the scene after her son had entered the residence choking, according to police reports. Belle Glade Police

Officer Michael E. Johnson had discovered a yellow balloon in the child's throat while administering first aid. The crime scene was investigated by Officer Susan Crosby.

Welfare arrest made

BELLE GLADE- Belle Glade Police apprehended a woman and charged her in a welfare check scheme. Europe Amisial, 27,

611 N.W. Fifth Street, is in custody under \$5,000 bond and facing a charge of grand theft, according to Detective J.R.

Eberle. According to Eberle, Amisial would allegedly receive a welfare check and cash it at a [Continued on Page 3]

SFC Reister is recruiter

The Clewiston-Belle Glade area will have a new Army Recruiter February 15.

He is SFC Robert R. Reister, 34, formerly with the Miami-West Army Recruiting Station.

The NCO replaces SFC Les Wallace who will be transferring to the Fort Pierce Army Recruiting Station.

Reister is a 14-year career soldier. He has spent the past 2½ years a recruiter who always did better than 100 percent in his recruiting objectives.

A father of three sons, Russell, Roger, and Rodney, SFC Reister and his wife, Tina, will be living in Clewiston. His office, however, is located at 9 East Canal Street, Belle Glade. He can be reached by calling (305) 996-1146 or (813)983-6704.

Reister during his Army career has travelled through 19 foreign countries and 22 states.

Last year 58 young men and women joined the Army from the Belle Glade-Clewiston areas.

The combined boards of the Northwestern and Southwestern Palm Beach County Hospital Districts were discussing plans for a straw ballot to see if Glades residents wanted a single hospital.

The combined group had already held two meetings to discuss the feasibility of building a consolidated hospital between the two cities, rather than building one hospital for each city.

A statement issued by the boards said they had "agreed on these matters and have previously announced the member distribution and location of the new hospital."

The proposed 175-bed core facility itself would be voted on in one election and a \$1.1 million bond issue to pay for it would be voted in a separate election.

County Commissioner Paul Rardin announced the imminent construction of Duda Road extension from SR 80 to Airport Road, expected to alleviate the traffic congestion existing at the bridge in Belle Glade.

Joe E. Crockett, interim assistant in animal husbandry at the Agricultural Experiment Station, received a \$25 cash award and a certificate at a recent Jacksonville meeting of the Southern Section, American Society of Animal Science.

Steps to erect additional warning signs at the Six-Mile Bend "death trap" bridge were taken after six lives were lost there in one week, five in one crash and one in a second.

The bridge and the two accidents were the subject of six stories and an editorial on the front page of the newspaper.

In the first accident, the preceding Sunday, five Miami-died about 1 a.m. and their bodies weren't discovered until 6 a.m. when Florida Highway Patrol Trooper Joe P. Bertrand found them.

Four of the victims' bodies were found in the car, which was submerged in 15 feet of water. Of

ficials didn't know a fifth person was involved until Miami friends notified the Highway Patrol.

Requests that the Central and Southern Florida Flood Control project agricultural areas keynoted the meeting of Glades landowners and FCD engineers and officials here.

A resolution coming from the meeting recommended early completion of Levees L-7 and L-1, the improvement of existing channels and the early authorization and construction of levee 2 and pumps at the lake outlets of the main canals.

Robert D. Tylander, manager of Dan McCarty's gubernatorial campaign in Palm Beach County, announced that Emmett Roberts would serve as chairman of the campaign here.

It took efforts of the Airport Committee, working with the local Defense Council and area individuals, to save the Belle Glade Airport, which had been closed the previous week.

W.P. Risk, James Ball, J.H. Chambliss and A.E. Kirchman were among those who worked for a week to get authority to re-open the local airport.

Among things that had to be done to re-open the field were installing telephones direct to the police station, lights on all hangars and lights around the field where any planes were parked. An alarm system had to be installed and a guard placed at the field at all times of night and day. A registrar also had to be put at the field 24 hours a day to register all planes landing and taking off.

Mrs. A.M. Webster said she was elated over the recovery of her wedding ring which had been lost for almost 14 years.

Mrs. Clyde Williams, a neighbor, was digging in her garden and found the ring, which had washed away in the 1928 hurricane.

Mrs. Webster had laid the ring in a tray on her dresser and when the storm hit was too excited and everyone was so busy trying to save their lives, the ring was forgotten.

The house and everything in it was destroyed. With the closing of registration books for the new draft of men 20 to 40 years of age, the local draft board found they had enrolled approximately 2,000 draftees, somewhat short of the anticipated 2,400.

Possession of first-hand information on road needs, gained by personal investigation by two board members, led the State Road Department, at the meeting that week in Lakeland to action under which the area was expected to benefit.

A resolution setting up a fund to purchase one-third of Conners Highway between Canal Point and West Palm Beach was adopted.

Local truck farmers were told they would be able to get loans from the federal government, although there may have been too much production of truck produce.

The farmers were told that if funds held out through the summer, they might could expect to make loans for their winter crops.

1932 was a good year for shopping, for people earning 1932 wages and, leaving through the Everglades News, a reader could come up with such buys as a 3-piece upholstered all-over Tapestry suite in a variety of selections, consisting of settee, club and button back chair for the staggering price of \$62.50.

If that wasn't enough to set mouths of the 1930s watering, housewives could also buy a 4-piece bedroom suite in a walnut finish for \$44.50 and that included a spindle bed, a chest of drawers, a vanity and a stool.

If you wanted to go first class, though, a 4-piece walnut veneer suite was available at Jenkins Furniture Co. in Fort Pierce for \$82.50.

Need something to cook on? Try a 2-burner Monarch air range for \$16.50 or you could go first-class by getting a "5-burner New Process range with Lorain burners, interchangeable giant chimney, beautiful finish in ivory and green porcelain enamel with black baked enamel trim, 2 large roomy oven, a heat indicator and two tanklines," for \$67.50.

Belle Glade utility upgrade necessary

The Belle Glade City Commission has recently taken the first steps toward improving the city's water and sewage plant.

The cost of the improvements will mean higher costs to the consumers, but the benefits more than make for the higher fees.

You only get what you pay for. The present system is supplying water which is unpalatable. City Manager Rolf Wagner told the Belle Glade Woman's Club in November that he did not like the "look, taste or smell" of the city's water.

That is a sentiment shared by many local residents.

The unfavorable taste is caused by a form of bacteria which, in the right quantities, is also carcinogenic.

By eliminating the elements which create the poor taste in our city's water supply, an improved water and sewage plant could also make our water safer and healthier to drink.

We believe the City Commission's long considered and well-thought action is commendable and in the best interest of the city and its residents.

Interest in South Bay election is encouraging

Four candidates have filed for two seats on the South Bay City Commission — two for each seat.

In a day when many local races are uncontested and only one candidate runs for many seats, we find the interest expressed by this situation very promising.

With the advent of the "New Federalism," much of the power and programs presently held and administered by the federal government may find itself in the laps of state governments. Some of that may trickle to the county and local governments.

With the possibility that local governments will soon be making decisions affecting them more directly, every citizen should take a greater interest in their community and its government.

Running for local office is one way of taking a deep interest in their community. There are other ways, such as voting.

We applaud those running for office in South Bay and urge all citizens to take a greater interest in local policy making.

That's the best way to work constructively toward a better community.

Farmers...

Should not rely on government

By STEWART TRUELSEN
American Farm
Bureau Federation

The policy that will guide the Farm Bureau this year calls for less reliance on government assistance to farmers than ever before.

The policy was decided on by 261 voting delegates to the American Farm Bureau Federation annual meeting.

It is in keeping with the times, certainly, but it was really the outcome of an evolutionary process in Farm Bureau that began some years ago. At that time, farmers could see that they could not count on government programs to bring prosperity to agriculture.

The most prosperous years were the result of farm exports and good demand for meat and food products here at home.

It is a difficult decision in tough economic times to say you don't need government support, especially in agriculture where farmers don't have the control of prices and supplies that other sectors of the economy have.

But Farm Bureau policy says that after 1985, government programs should be restricted to establishment of all commodity price support loan programs at market clearing levels, 75 percent of the previous five-year average price received by farmers. In the current program, only soybeans of the major commodities would fall within this policy.

In other words, farmers are saying that the commodity support programs should between now and 1985, move away from the role of an income supplement and an incentive to farmers to produce more. The income and incentives will have to come from the marketplace.

JIM JONES

BOILER PLATE

Why problems are wonderful

In my scheme of things, there are no problems, only challenges. Therefore, if there are no problems, why worry about them? I don't.

There is more than a grain of truth in the old clichés that: 1. Things are getting better every day in every way, and 2. There are no problems, only opportunities.

Sunday for instance, I went bike riding with my little girl and all my cares evaporated as I tried to keep up with her.

I woke up this morning, glanced in the mirror, and darned if I didn't look as if my spare tire had gotten smaller.

I may not be able to do much about inflation, unemployment, or the Russians, but there are other things — like spare tires — for which there are solutions.

Things look fairly bleak in this country right now, but generally they always look bleak.

Can you truthfully recall a time when things didn't look that way? Everything is just normal.

If we think back to World War Two (those of us who were around then), we can perhaps recall the best of times.

Depression and war were over and the prospects for the future never looked brighter. Then along came the Russians and Cold War.

It's the same with disease. Just when one gets cured, something else comes along to take its place.

There really is no reason to worry about problems, because we know there are always going to be some.

Boiler Plate's intention is not to depress this week, because problems are what make life interesting.

There would be no awards for merit if there were no problems to solve. There would be no individuals among us to excel.

There would be no soap operas on television if we were not so concerned with the little problems and tragedies of daily life.

The world might be a mighty boring place if benches had no splinters. If dogs didn't have fleas. And if check books always balanced.

If there were no problems in the community, you probably would not have picked up this newspaper. By reading the newspaper, you are finding out what is right and what is wrong and what is being done about it and why.

A newspaper is not unique in regard. Just about everyone who is working has a job because of problems.

Where would mechanics be without broken down cars, lawyers without divorces, and preachers without souls to be saved?

See what I mean? But you never thought problems were so wonderful before!

Farm program provisions

Major provisions of the 1982 farm programs were announced recently by the Secretary of Agriculture John Block.

Block said that the Agricultural Stabilization and Conservation Service conference in Kansas City, Missouri, County Executive Director Marie L. Wilkins said an acreage reduction program will be in effect for wheat, corn, oats, barley, grain sorghum, upland cotton and rice.

"Acreage reduction of these crops, with the higher loan rates also announced by Secretary Block, will help strengthen farm prices and reduce supplies," she said.

Program regulations call for a 15 percent reduction of wheat, cotton and rice acres, and a 10 percent reduction of feed grain acres. "To be eligible for loans and target price protection, farmers must sign up and comply with program requirements," Mrs. Wilkins said.

The target price for 1982 wheat will be \$4.05 per bushel. Loan rates will be \$3.55 per bushel for grain placed under loan.

Feed grain program participants will receive per-bushel target prices of \$2.70 for corn, \$2.60 for sorghum and barley, and \$1.50 for oats. The loan rates per bushel are: corn, \$2.55; sorghum, \$2.42; barley, \$2.08; and oats, \$1.51.

According to Mrs. Wilkins, the 1982 target price for upland cotton is 71 cents per pound and the loan rate is 57.08 cents per pound.

Correction

Due to an error in a headline in last week's Herald-Observer, it was reported that Kate Smith had retired after 35 years with the Visiting Nurses Association.

It turns out that the retirement was premature. While Mrs. Smith was honored by 200 members, volunteers, and staff

recently, the occasion was to salute her service rendered thus far, not to wish her well in retirement.

The Herald-Observer and particularly editor Jim Jones, who wrote the incorrect headline — apologizes to Kate Smith and to any who may have been misled by it.

BELLE GLADE—Glades Central Community School gifted wide-receiver Ray McDonald, ended the speculation where his college football days will be played at, when he signed a national letter of intent with the University of Florida.

McDonald, a member of the Class 3A All State Football team joined several other high school football players from Palm Beach County who have signed with the Gators, coached by Charley Pell. McDonald will join former high school mates, Greg Bains and Thomas Lockett at the University of Florida.

McDonald signed the national letter of intent, on Wednesday, Feb. 10, the first day that high school athletes could sign national letters.

McDonald said he wanted to get the signing over with. "It's been a real headache," he said.

A senior at Glades Central, the 170 pound McDonald led the area in scoring during the 1981

season with 10 touchdowns. He also caught 35 passes for 611 yards, the area's third best.

For his efforts McDonald, who was named All Area honorable mention in 1980, was named to the Suncoast West All Conference first team, The Post 1981 All Area Football team and was selected as one of the 1980-81 Blue Chippers for college recruiting.

McDonald, who's ambition is to play professional football one day, said prior to signing with the Gators, he received scholarship offers from Clemson, Notre Dame, Ohio State, Purdue, Penn State, Florida State, University of Miami, Michigan State and Georgia.

Prior to signing with the Gator, McDonald visited several out-of-state universities and colleges.

In addition to McDonald's football ability, he also has excelled in track and field.

He is the son of Mr. and Mrs. Willie McDonald.

Crusaders win two with defense

By JEFF BROWN

BELLE GLADE—The Christian Day Crusaders last week used their defense in the early part of two games to wear their opponents down and capture victories.

Berean Christian fell 58-51 Friday, Feb. 12, and Benjamin lost the next night, 61-51.

"We've been playing good team ball," said Coach Woody Salvatore. "The defense is starting to come around, too."

The Crusaders beat Berean Friday despite a 21 point game from Berean's Mito Miranda. It was a close game through the first three quarters.

At the half, the score was 21-20, and the Crusader defense had held Miranda to eight points.

At the end of third, the Crusaders still had a one point lead, 37-36. The Crusaders ran off with the game at that point.

The defense eased up, allowing Miranda to reach the 21 point plateau. But it wasn't enough to win the game for Berean, as Alex Morales, who scored eight in the first half, jumped his point total to 16. Tavi Garcia, picking up the slack when Luis Garcia fouled out, scored seven points

in the fourth, his night's total.

Scott Hudson was the Crusader's second leading scorer with 13, followed by Luis Garcia with 12. Robert Echols scored six and Roly Ramos and Tracy Shealey each picked up two.

The Crusaders, who are averaging in the neighborhood of 37 per cent from the floor, hit for 47 per cent against Berean. The next night, against Benjamin, they averaged 39 per cent. Benjamin also went down in defeat while one of its players put in a sterling performance.

Eric Arkin scored 25, but it was too little too late as the Crusaders had opened up a 24-12 lead at half time. It was lead the Buc's were never to close.

"It was probably the best offensive game we had," said Salvatore.

Luis Garcia was the Crusader's high point man with 21.

He was followed by Scott Hudson with 16, Alex Morales, with 12, was the only other Crusader to hit double figures.

Tavi Garcia scored six, Cary McKee four and Roly Ramos two.

Gator girls end with 9-8 record

BELLE GLADE—The Glades Day Girls Basketball squad ended their regular season last week with a 42-31 victory over Moore Haven.

The victory gave the Gators their fourth in a series of "firsts" that the team pulled off this year.

The team's 9-8 record was the first time in the school's history that the girls' basketball team finished with a winning season.

"And we have three seniors," said Coach Mandy Perez. "We're a young team. I think our best basketball is ahead of us."

The Gators also beat Belle Glade Christian this season, another first.

Their victory over Jupiter Christian was another first.

The winning record gave the Gators a total of nine victories, the most ever accumulated in one season by the Gator's girls' basketball team.

Angie Adams put in a masterful performance to lead the Gators over Moore Haven two days after a disappointing loss to Jupiter Christian.

Adams, who scored 161 points on the year, led the Gators with 22 points against the Moore Haven squad. She shot 75 per cent from the floor.

Eight for 10 at the foul line, Adams stole the ball seven times and converted four of those steals into lay-ups.

Adams was followed by Jamie Wills, who scored eight, Lauralee Green and Judi Austin who each picked up four and Melanie Swager and Kelly Teets who scored two apiece.

Teets, who suffered from the flu last week, led the team in 1982 with 165 points, edging out Adams. Teets also led the team in rebounds.

Adams was the team's leader in assists and steals.

Teets is a senior and Adams is a junior.

The Jupiter Christian game saw the Gators play three of the worst quarters they played all season.

They did not score at all in the first quarter and mustered only twenty points in the next two.

With 4:37 left in the fourth, the Gators were behind by 11 points, 27-38. They tied the game at 42 with 40 seconds left to play.

Jupiter went ahead on two successful foul shots and won the game, 44-42.

"It was the most bitter loss, probably, of all year long," said Perez. "We had beaten them at their place early in the year. I thought that we had made progress all year long."

Teets led the team against Jupiter with 12 points. Wills missed double figures with nine.

Swager and Tammy Scruggs each picked up six while Adams had a four point game. Green scored four and Austin two.

The Gators opened the week at 7-7, but quickly upped their record to 8-7 when they beat Sunnith in the first contest of the week.

Teets was the Gator's scoring leader in the 46-17 rout of the Saints.

Four Gators had six point games: Adams, Green, Scruggs and Swager. Janet Warren scored four and Wills one.

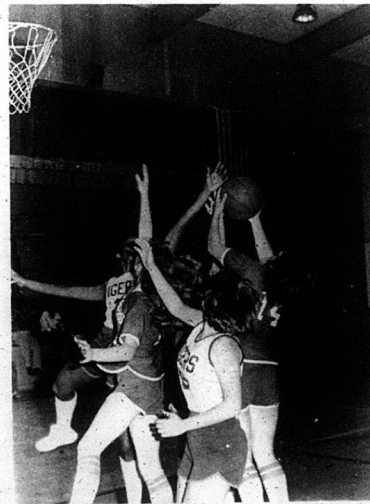

This week, the Gators go to Pompano Beach to play in the District Tournament. They are seeded fifth and play Pompano Beach Thursday night in their first game of the tournament.

If they beat Pompano Beach, the Gators will probably play first seeded Lake Worth Christian.

"If we play the way we did in the last quarter, (against Jupiter), I think we have a good chance of beating the top seeded team," said Perez.

A CHRISTIAN DAY SCHOOL player pulls up for a shot against Clewiston, while Clewiston's Maderes Thornton (13) tries to get into a defensive position.

ANA HERNANDEZ (14) of Christian Day School hauls down a rebound against Clewiston Thursday, Feb. 11. CDS came up second best in the game.

Tigers split games

Clewiston Lady Tiger basketball Coach John Mack became a daddy and gained his eighth win in nine games all on the same night Thursday, Feb. 11.

In a complete mismatch, Clewiston dominated Christian Day School of Belle Glade in every quarter to post a 63-30 victory.

Mack wasn't on hand to see the win, however; he was in Pahokee with his wife, Vonita, at Everglades Memorial Hospital.

About 10:58 p.m., Megan Lyn Mack was born as the Macks became parents for the first time.

"They are both doing well. We brought her home today," Mack said Tuesday.

In Clewiston's final regular season game, things didn't go quite as well as powerful Class AAA Glades Central beat the Lady Tigers 63-43.

"I didn't think that Glades Central was 20 points better than us," said Mack. "Glades Central is just a real powerful team. All their girls have an athletic build. Last year they were carried to the state finals by two players, but this year all five starters are scoring in double digits."

Kim Ross led Clewiston in scoring against the LK Lady Raiders with 12 points, while Evelyn Ross had 11, and Barbara Robinson had 10.

With no more encounters on the schedule this year, Clewiston now turns to preparations for the district playoff game.

Clewiston travels to Pahokee Thursday for an 8 p.m. game with Immokalee, a team the Lady Tigers defeated twice during the regular season.

"I really feel that we are the best ball club in our district, but we may not find out," Mack said.

Gators

BELLE GLADE—With the regular season at an end, the Glades Day Gators are starting to look to the districts.

Glades Day Coach Richard Schmidt doesn't want to play Christian Day in the opening rounds, but said he has a suspicion that, if the two teams do play one another in the tournament, it will be early on.

"It would make no sense to play in the first round," he said. "Because one of the best teams in the district will be eliminated. We feel that way about it and I think they do too."

Districts start next week in Pompano Beach. Earlier, Crusader Coach Woody Salvatore had stated he would like to see the two teams seeded in different brackets to give them a chance to play each other in the finals.

In the regular season last week, the Gators won two after a loss to

Raiders clinch title

BELLE GLADE—Behind the superb shoot of forward Edwin Haynes, the Glades Central Raiders clinched the conference title with a victory over Cardinal Newman High School.

Haynes scored 42 points, 25 in the first half. The victory improved the Raiders to 13-1 in Suncoast West Conference. Ranked sixth in state Class AAA polls, the Raiders improved their record to 23-2 overall.

Haynes added nine rebounds and three assists for the Raiders, while center Allen Sears scored 20 points.

Also scoring for the Raiders were Willie Stevenson with 4, Blackmon had 9, Rhondy Weston contributed 2, Richard Anderson had 4 and Te Easley also had four points.

The Glades Central junior varsity won their game 87 to 43.

The Raiders will play their final regular season game against the Pahokee High School B Devils on Thursday, Mar. 18 at 8 p.m. Pahokee.

The game was changed from Friday, Mar. because the Blue Devils girls' basketball team host the district tournament.

Districts start next week in Pompano Beach. Earlier, Crusader Coach Woody Salvatore had stated he would like to see the two teams seeded in different brackets to give them a chance to play each other in the finals.

In the regular season last week, the Gators won two after a loss to

Moore Haven. Moore Haven beat the Gators 60-48.

The first half belonged to the Terriers, as they outscored the Gators 12-18 in the first quarter and 11-12 in the second.

The Gators, down 23-30 coming back from the half-time break, started to close the gap. They outscored Moore Haven by one in the third and tied the game with 40 seconds to go at 58.

Terrier Glen Hyatt hit a 10 footer with about five seconds left and the Gators took the ball down court.

"We had it set up right," said Schmidt. "But it just didn't go in, that's all. We had a chance. It's just one of those things again. They were never ahead by more than eight points."

Scott Meredith led the Gators

with 20 points, followed by Jorge Rodriguez with 12 and Richard Schiele with 11.

David Lakatos hit for eight and Garcia seven.

Three nights later, the Gators wreaked their revenge against a Benjamin team.

The Gators jumped to a four point lead at end of the first, 14-10. By half-time, they had extended that lead to 23-16.

At one point in the fourth quarter, the Gators were up 43-25. The Benjamin Bucs made a run then, confining the Gators to just seven points and picking up 15 of their own before the buzzer sounded, leaving the score at 50-40.

Oscar Toledo picked up 18 points and Richard Schiele 10. Meredith scored eight, Lakatos six and Rodriguez and Garcia four each.

Lakatos, who had the flu for much of the week, snapped back into form the next night against John Carroll when the Gators rolled over their opponent for a 67-45 victory.

Meredith led the team with 21 points in that game. Lakatos hit double figures again with 14 points, close to his season average of 12.9.

Schiele scored 12, Garcia and Andy Fontaine five, Toledo four. Rodriguez three and Mike Basore two. Frank Thompson hit for one point.

Meredith is the team's leading scorer on the season, averaging 14.2 points per game. He is followed by

Lakatos. Schiele is a close third with 12.2. Garcia averages 11.1.

Two Gators double at center: Rodriguez, who averages 6.3, and Toledo who averages 5.1, for a combined average of 11.4.

A CATERPILLAR DEALER

Introducing our helping hand.

A new series of FPL Watt-Wise incentives will actually pay you to conserve electricity.

- Up to \$300 if you need ceiling insulation.
 - Up to \$150 if you need solar-reflective window film.
 - Financial incentives towards the installation of high-efficiency water heaters, including solar.
- (The three incentives above will be in the form of a Watt-Saver certificate redeemable with a participating contractor. To qualify, all work must first be recommended by an FPL Home Energy Audit.)
- Financial incentives for the replacement of an inefficient cooling and heating system, installed by participating contractors. (Paid by check after FPL on-site verification.)

Will everyone benefit from these incentives?

Yes.

The cost of these incentives is less than the cost of the oil necessary to generate the electricity wasted by an inefficient home.

So everyone benefits. Even someone who doesn't qualify for a particular incentive, or who has an efficient home, shares in the fuel savings. Every 600 kilowatt-hours of electricity not used is a barrel of oil no one has to pay for. It also means we can postpone the building of expensive power plants. The less oil we use, the less new building we have to do, the more we can help hold the line on your electric bill.

These Watt-Wise Products Program incentives are another way we're working hard at being the kind of power company you want.

Please send me detailed information on the following Watt-Wise incentives:

BG Library to celebrate International Women's Day

BELLE GLADE - The Belle Glade Municipal Library will be celebrating International Women's Day on March 8. Ms. Phillis Lilly, librarian said, in conjunction with International Women's Day, the first annual celebration of National Women's History Week will be observed Mar. 7 through 13.

Ms. Lilly said the Library is planning several activities commemorating the vast contribution women have had to society.

The purpose of National Women's History Week is to raise the awareness, female and male, about the wealth of women's history that has been left out of the standard texts used in most schools.

Ms. Lilly said on Monday, Mar. 8 at 12 noon, the public is invited to attend a program at the library. You may bring your lunch.

On Tuesday, Mar. 9 at 7:30 p.m., three movies with emphasis on women will be shown. The movies will "How To Examine Your Breast," by the American Cancer Society, "Accomplished Women, About Women Who Have Made It," and "Jade Snow," about a Chinese daughter not content with growing up in traditional ways.

International Women's Day began on Mar. 8, 1857, when a group of women from the garment and tex-

tile industry in New York staged a demonstration protesting low wages, the 12 hour workday and increasing workloads.

The women called for improved working conditions and equal pay for all working women. Their march was dispersed by the police, some of the women were arrested, and some trampled in the confusion. Three years later, in March of 1860, these women formed their own union and called again for these demands to be met. On March 8, 1908, thousands of women from the needles trade industry demonstrated for the same demands.

In 1910, the German labor leader Clara Zetkins proposed that March 8 be proclaimed International Women's Day in memory of those earlier struggles of women for better lives.

Over the next sixty years, March 8 was celebrated mostly in socialist countries. By 1967, the day began to be celebrated by some groups in the United States. In 1970, owing to the growing women's liberation movements, events were planned to celebrate the day in most of the major cities in the United States. In the past five years it has become a widely celebrated day of most women's organizations and groups.

Festival of Afro Arts set for March 20th

BELLE GLADE - The Third Annual Glades Festival of Afro Arts will be held Saturday, Mar. 20 at the Lake Shore Civic Center and Park.

The Iota Omicron Zeta Chapter of Zeta Phi Beta Sorority, Inc., is sponsoring the affair. Mrs. Celester Monroe is serving as the festival director.

The day-long festival will kick off with a parade beginning at 10 a.m. from Glades Central Community School. The Pahokee High School and

Glades Central School band will be participating in the parade.

Mr. and Mrs. Charles Todd, Sr., will serve as the parade marshalls.

Following the parade, activities will be held at the Lake Shore Complex. Mrs. Monroe said among the many activities planned are creative dance performances, modeling, karate exhibition, cultural food booths, informational booths, a spelling bee and many activities for children.

Mrs. Monroe said the Executive Board also have planned several pre-Afro Arts programs.

On Sunday, Mar. 14, at 11 a.m., at the Mt. Zion A.M.E. Church, Valene Crosey, of Melbourne will be the keynote speaker for a pre-Afro Arts Program.

The Miss Afro Arts Pageant will be held Wednesday, Mar. 17 at 7:30 p.m. at the Lake Shore Civic Center.

Mrs. Monroe said many organizations and in-

dividuals have consented to participate in the festival. The public is invited to come and share in all the events which will encompass love, peace, and togetherness, keeping the theme in mind "This Spirit Must Live On," said Mrs. Monroe.

For information concerning the Festival you may contact Mrs. Monroe at 996-4833 or 996-6271 or Mrs. Helen Rutledge at 996-3133.

Cook's Corner

Married 60 years, Miriam Dulany and her husband John have lived in the Glades for over 50 years.

Mrs. Dulany is a United Methodist minister and has taught a Sunday School Class at the United Methodist Church for the past 25 years.

She is also a member of the Belle Glade Woman's Club, the Glades General Hospital Auxiliary, the Chosen Garden Club and was the first sponsor of the Beta Sigma Phi Sorority in Pahokee years ago.

She is a retired journalist having worked for the Tampa Tribune, the Miami Daily News, the Pink Sheet and the Packer, an agricultural newspaper for the Glades area.

In conjunction with the Byrums, Rev. Dulany has a rose ministry to the sick and shut-ins in the community.

The Dulany's have two children and seven grandchildren.

Rev. Dulany said she entered this recipe in a contest sponsored by the Florida Power and Light Company in 1940. She won first place and an electric clock.

Spanish Steak

1¹/₂ pounds round steak
1 large onion
1 green pepper
1 large can tomatoes or tomato paste
flour
salt and pepper
1 teaspoon chili powder
shortening

Cut the steak into serving portions. Salt, pepper and dredge with flour. Brown lightly in shortening. Brown onion and green pepper, chopped fine and add to meat.
Pour over meat the chopped tomatoes or tomato paste and the heaping teaspoon of chili powder. Cook mixture over low heat for 40-60 minutes.

Pancake supper

Feb. 23

BELLE GLADE - St. John's Episcopal Church will hold their traditional Pancake Supper and Square Dance on Tuesday, Feb. 23 at the Belle Glade Civic Center.

Supper will be served from 5 to 8 p.m. with carry out available.

Dancing will start at 8 p.m. and end at 11 p.m. Ernie Bass, who specializes in calling for beginners as well as experts will be the caller.

Tickets are available from any church member or at the door. The event is open to the public.

Junior Woman's officers installed

BELLE GLADE - The FFWC Belle Glade Junior Woman's Club held installation services Saturday, Feb. 13 for the 1982-83 officers.

Mrs. Sharon Underwood was installed as President, Vickie McMullen, first vice-president; Jackie McDaniel, second vice-president; Dianne Her- ring, recording secretary; Anna Baez, corresponding secretary.

The installation Committee also presented a skit entitled "This Is Your Life, Sharon Underwood."

Mrs. Cindy Baez, a past president of the club, served as the installing officer. Following the installation ceremony, a luncheon was served, using vegetables as decorations and part of the menu.

The vegetable decorations were used in conjunction with the 1982 theme, "Grow with Juniors." Mrs. Underwood presented Mrs. Marie Buckner with the "Most Involved New Member Award," and Cindy Baez received the President's Award.

Mrs. Vickie McMullen was named the Junior Woman of the Year.

A special gift was presented to Mrs. Underwood for serving as club president for

1981-82 and to Mrs. June Mowen for serving as the sponsor.

Guest for the day were Mrs. Pat Russell, the mother of Mrs. Underwood; Glennie Davis and Sherri Merchant.

Art for Heart kick off coffee

BELLE GLADE - The Palm Beach County Chapter of the American Heart Association, and Mrs. Guy D. Wood, Jr.,

Heart Week Feb. 22-28

Heart Sunday Chairmen invite all the Belle Glade Heart Sunday volunteers to the "Art for Heart" Kick off coffee on Feb. 19.

The coffee, featuring the artwork of Ann Tyler's art students, will be held at the Bank of Pahokee in Belle Glade, 200 South Main Street, from 11 a.m. to 1 p.m.

Coffee and sandwiches will be served to the volunteers, and they will receive their

Heart Sunday kits and instructions.

Heart Sunday Week, Feb. 22-28, is an annual fund raising drive of the Heart Association.

Volunteers will be calling on their neighbors to seek support for the health agency.

Working with Mrs. Wood as area chairman are Mrs. Pat Murphy, Mrs. William Mowen, and Ms. Maude Veron and the Mount Zion Church Circle.

For more information on the services of the American Heart Association, call 655-8155.

2 arrested in murder try

BELLE GLADE—Two out-of-state, transient laborers were arrested and charged with attempted murder and robbery Saturday, Feb. 13.

Carl Eugene Bowman, 53, and his son, Harold Timothy Bowman, 19, are in

custody under \$15,000 bond, each and facing charges stemming from the Saturday night stabbing of Eugene Davis, 36, of 800 NW Avenue L.

According to Detective J.R. Eberle, Davis was stabbed in the chest near the heart and several times in

the back. He is in Saint Mary's Hospital in West Palm Beach in fair condition.

Davis was transported to the hospital by the County Sheriff's Department Helicopter.

The two Bowmans, both from Dayton, Ohio, were allegedly

living in a van. That van was located by the Sheriff's department at Everglades Memorial Hospital in Pahokee and the suspects were apprehended.

Belle Glade Police Officer Ray Swaford conducted the initial investigation, according to Eberle.

No one likes to be served with an ultimatum. It either scares us or stiffens our resistance. The truth of the statement is not as important as the position we hold and feel we must defend.

If we are holding the wrong position and are told that we must change we are immediately on the defensive. This is probably true because we don't like to admit we are wrong and don't like criticism either.

Jesus said to the Jews, "You will die in your sins unless you believe that I am He." They were determined to get rid of Jesus because this was an insult to their way of life.

Here was this rural upstart from Galilee trying to tell the scholars of Jerusalem that they were out of His class with regard to the Son of God and that they should believe in Him or die in sin.

Jesus has been discussing His origin, His authority, and His future with these leaders. He said He was from the Father, having been sent by God, that He spoke only what the Father wanted him to say, and said, "I am He" (or the I AM).

Jesus has so shut them up in the argument that they were not able to answer. In fact His argument was so strong that many of the Jews believed in Him.

The essence of Jesus' ultimatum was that only by belief would anyone escape dying in sin. Christ provides the only way to spiritual life.

Sin is not a very meaningful word today. In fact, it is considered very old fashioned. What would be called sin in the past is called antisocial behavior or temporary insanity. Sin as used in the Bible is usually rebellion against God. Its worst result is separation from God.

The Jews (scribes and Pharisees) had dedicated their lives to obeying the law of God. However, they had missed the mark and this is sin. Action of this type brings frustration and makes on unit for life with God. Therefore, separation from God.

Jesus had talked to the Jews so long that His patience was almost exhausted. He had told them that He was from God the Father. He said in essence I don't know why I talk to you for I have told all of this from the beginning.

There are those now who don't want to understand or believe. This is the reason for Christ's ultimatum. He is giving everyone another chance which He knows most will take.

Jesus says I will even die that you might believe. Some will believe but most will not believe!

Christ is trying also to tell the Jews of His close and intimate relationship with the Father. He is trying to tell them that their literal interpretation of the law was wrong. Also, that their attitude was wrong.

Unless we (everyone) believes, we will die in sin. We will be separated from God. We will not be able to feel His love. Separation from God is Hell and spiritual death.

The ultimatum was to the scribes and Pharisees in the Temple at Jerusalem. It also comes to us that we must believe if we are to escape spiritual death and live.

Hunting Wild Turkeys In The Everglades

Every turkey hunter will enjoy reading and sharing the experiences of Frank P. Harben's exciting book on Hunting Wild Turkeys in the Everglades.

In easy to read style, the author tells how he searches out, stalks, and kills wild turkeys by using a 410-gauge shotgun/a gun normally relegated to the wife, young son, or a novice hunter.

Avid turkey hunters will eagerly read this exciting new book which recounts over 40 years of personal experiences in hunting the wary and elegant wild turkey. If the reader has difficulty putting the book down, do not blame the author. He writes in a style and about events that only an avid turkey hunter could accomplish.

Additionally, the author of this exciting new book discusses techniques and ways to hunt the wild turkey. His discussion on hunting turkeys will incite the reader to greater efforts in his attempt to master the techniques of hunting the wild turkey.

Size: 5 1/2 X 8 1/2; Perfect Bound; Illustrated with Photographs, 25 Chapters and approximately 340 pages. Due for release February 25, 1982. Cost \$8.95.

United Methodist planning revival; Law to speak

The congregation of the Community United Methodist Church is planning a revival Sunday, Feb. 21, under the leadership and preaching of the internationally known evangelist the Rev. Terry Law.

Rev. Law, as president and founder of Living Sound Interna-

tional, leads one of the most aggressive missionary organizations in the world today. Living Sound includes four teams ministering across the world in concerts, crusades and services.

These groups are one of few witnesses allowed in communist countries including Poland

and the U.S.S.R. The evangelist feels that the door is now beginning to swing open into the communist world behind the Bamboo Curtain of Red China.

Services will begin Sunday, Feb. 21, at the 11 a.m. service and continue at the 7 p.m. service. Services Monday

through Tuesday Feb. 23 will be held at 7:30 p.m. A nursery will be provided.

The public is cordially invited and urged to attend these services. There will be an 18 hour prayer vigil Saturday, Feb. 20, from 4 a.m. to 10 p.m. at the church in preparation for the revival.

Resident to attend convention

BELLE GLADE- The Mid-Winter Board of the National Baptist Convention of America will hold its annual session at the Mount Pleasant Missionary Baptist Church, 4077 Prince Hall Blvd., in Orlando, March 1 through 4.

The Rev. J.F. Hargrett, is the host

pastor and Dr. James Carl Sams, of Jacksonville, is the General President.

Among the many delegates from across the country to attend the convocation will be several ministers and laymen from the Glades Area.

The Rev. J.B. Adams, pastor of St.

John First Baptist Church of Belle Glade and chairman of the Education Board, Mrs. Amelia Houston, historian of the Senior Women's Auxiliary, Mrs. Barbara W. Knight, past national Junior Women President, and Mrs. Mary E. Kindall, all of Belle Glade, will be attending the annual session.

Dr. and Mrs. L.H. King, of Clewiston, will also be attending the session.

Mrs. Alberta J. Williams, a spokesman for the convention said the four day convocation will begin on Monday evening at 8 p.m. with a program of welcome and a musical.

Chorus to perform Sunday

LAKE WORTH- The Glades Central Community School Chorus will participate in a free evening of Gospel Entertainment, Saturday, Feb. 20, at 7:30 p.m., in the Palm

Beach Junior College Auditorium in honor of Black History Month, according to Joyce Gainer, vice-president of the Black Student Union (BSU).

Participants include choirs from the Church

of the Living God, Delray Beach; and Hilltop Baptist Church, Riviera Beach, as well as the Jesus Supernatural Choir of Deliverance from Pompano and the West Palm Beach Community Choir.

Samuel Wright, Boynton Beach Councilman, will be the master of ceremonies for the Gospel Entertainment.

The public is invited to attend.

Homecoming scheduled

BELLE GLADE- A homecoming, Winters Visitors Day will be held at the Church of Christ, 125 N.W. Ave. D, Belle Glade on Feb. 21 starting at 10 a.m.

Tuck Andrews, a former member of the Church of Christ will

be the guest speaker at 10 a.m. and Hollis Miller will begin the gospel meeting at 11 a.m.

The pastor of the Church of Christ, Glenn R. Sheumaker invites everyone to attend.

Ford assigned to Chanute

Airman Richard C. Ford, son of Gwendolyn Daniels of 435 Elion Ave., South Bay, and William Ford of 5514 Hughes, Fort Hood, Texas, has been assigned to Chanute Air Force Base, Ill., after completing Air Force basic training.

During the six weeks at Lackland Air Force Base, Texas, the airman studied the Air Force mission organization and customs and received

special training in human relations. In addition, airman who complete basic training earn credits toward an associate degree in applied science through the Community College of the Air Force.

The airman will now receive specialized instruction in the aircrew protection field. The airman is a 1979 graduate of Glades Central Community High School, Belle Glade.

16 attend Garden Club meeting

BELLE GLADE - The Belle Glade Garden Study Club met at the home of Mrs. Douglas Matthews for their regular meeting with Mrs. Edith Van Landingham at co-hostess.

Fourteen members were present and two guests. Guests were Mrs. Charles Harris and Mrs. Don Siviyra with President Mrs. Robert Creech presiding.

Awards were given for floral arrangements with Mrs. Teresa Lutz placing first place for

her symmetrical triangle arrangement. A three way tie for second place was given to Joanne Baughman, Edith Van Landingham and Sue Murphy. Sue Murphy also won a first place award for her pansy specimen.

Seven club members visited the Japanese Island House Ikebana Exhibit on Feb. 6 in Delray Beach where Japanese arrangements were displayed by students of the Sogetsu School.

Edith Van Landingham and Mary Roth reported to the members on the trip.

Linda Steeie gave a program on butterflies. The Florida Federation of Garden Clubs has adopted the butterfly as their emblem.

Arbor Day was observed by Mrs. Creech, Mrs. Jones and Mrs. Van Landingham with the planting of a

Loquat tree in the playground of the Glades Day School. The tree was grown and planted by Ruby Jones.

Grades kindergarten through fourth participated in the ceremony. It is an annual country wide observance to emphasize the importance of trees.

Internist opens Glades medical practice

Dr. A. Karim Kaki announces the opening of his office in Clewiston for the practice of internal medicine.

Internal medicine is the branch of medicine dealing with the diagnosis and non-surgical treatment of diseases.

Among the sub-specialties treated by internists are cardiology, respiratory complaints, kidney, gastro-intestinal complaints, rheumatology, endocrinology, and hematology.

Dr. Kaki, 38, was born on the West Bank of the Jordan River and attended medical college at the University of Wurzburg, Germany.

After completing medical college in 1973,

Dr. KARIM KAKI

he spent four years in internship and residency on the West Bank.

In October of 1977, Dr. Kaki began four years of training at Lutheran Medical Center in Cleveland.

By offering an internal medicine practice, Dr. Kaki hopes to save Glades residents from having to drive to either the East or West

Coasts.

"I would like to set up a good practice and see as many people in this area as I can," he said.

Dr. Kaki's office is located at 406 S. Duane Duff Ave. in the Blue Medical Building. He is assisted by Mrs. Nita Chohan, secretary.

His office hours are 9 a.m. to noon and 1 p.m. to 5 p.m. For more information, call 983-5453.

Raiders win final game of the season

PAHOKEE—The Glades Raiders Girl's Basketball team ended their regular season play Monday night with a win over the Pahokee High School Blue Devils.

Denise Bussie scored 16 points and Sharon Roberts added 14 to help Glades Central complete its Suncoast West schedule unbeaten with a 60-53 win over the Devils.

The Raiders, runners-up in the Class AAA state tournament each of the last two years, finished their regular season with a 20-1 overall record and a 14-0 conference mark.

Pahokee led by Sylvia Addie's 11 points, finished its season at 8-8 overall and 6-8 in the conference.

Pahokee is the host team for a district tournament Friday and Saturday nights. The Blue Devils play Friday against the winner of Thursday night's Immokalee at Clewiston game. The district title game is Saturday night at 8 p.m.

Scoring for the Raiders were Diane Bussie with 13 points, Annette Miller with 6, Gloria Stewart had 7, Carstina Kyles, 2.

For Pahokee, Kimberly Power had 10 points, Ingram Brown, had 9 and L. Kimes, 4 and Shelia Manuel one point.
